Friday 10<sup>th</sup> September

## **Parents/Guardians of Pupils in Primary 2**

Dear Parent/Guardian,

Many thanks to all of you for your support and understanding this morning.

I can now confirm, having spoken at length with the Education Authority, that children who book and receive a negative test, can come to school on Monday. It would be helpful if you could inform the school of your child's negative result by emailing me. If you do not test your child, they will have to isolate for 10 days. Today is day 2.

On day 8, pupils will need another PCR test, but I will update you regarding that, next week.

In the interim, PHA may contact you, however, they may not as the advice has been given by me already.

I hope that you all remain safe and well at this time. Once again, if you would like to speak with me, please email me and I will get back to you as soon as possible, from a withheld number.

Yours Sincerely,

Mr Andrew Frizzell
