Tuesday 14th September

Primary 2 Pupils

Dear Parent / Guardian,

Firstly, many thanks to all of you for your cooperation last week and over the weekend. Hopefully, we have been able to stop any further spread of the virus in our school community. As you can appreciate, given that we have changed how things are reported as PHA are now in charge of contact tracing, it is difficult to get any concrete advice on how a school should proceed.

In relation to day 8 testing for the children, this will take place on Thursday 16th September.

Families should arrange for the pupils to have a PCR test at a time which is convenient; it is acceptable to do this before, after or during school. Children can attend school as normal on Thursday and do not need to isolate until their result is issued. If you need to collect your child early or leave them to school late, please do so following the normal protocols for visiting school; wear a mask and wait at the main door.

If anyone has ordered a home kit, again, they do not need to have the results before their child comes back to school.

If your child receives a positive result, it is important that you inform PHA and me.

Thank you, once again, for working with us on this issue.

Yours Sincerely,

Mr Andrew Frizzell

Mr A Frizzell
Principal
